Out in Science, Technology, Engineering, and Mathematics (oSTEM), Inc. is a non-profit professional association for LGBTQ+ people in STEM. With over 150 student and professional chapters in the US and abroad, it is the largest chapter-based organization focused on LGBTQ+ people in STEM.

oSTEM empowers its community to succeed personally, academically, and professionally by cultivating environments and communities that nurture innovation, leadership, and advocacy.

**Mission**

oSTEM empowers LGBTQ+ people in STEM to succeed personally, academically, and professionally by cultivating environments and communities that nurture innovation, leadership, and advocacy.

**Vision**

We envision a world where LGBTQ+ people in the STEM community are empowered to achieve success in a safe and supportive environment that celebrates their diversity and unique contributions.

**Values**

Integrity - Intentionality - Respect - Passion - Grit
The document contains information about the 2022 Conference Breakdown and the total annual conference attendance. It highlights the breakdown of conference attendees by sexual orientation and general STEM field. The data shows a trend over the years, with the number of attendees increasing steadily. The sexual orientation breakdown includes categories such as Bisexual, Queer, Asexual, Straight, Lesbian, Gay, Pansexual, and Questioning. Similarly, the general STEM field categories are Engineering, Science, Technology, and Math.

Partnership Requirements

This year oSTEM will require the items below be met to participate as an exhibitor/sponsor of the Annual Conference.

WHY?

We want our members to feel confident that they’re engaging with prospective employers who are committed to LGBTQ-inclusive policies and practices.

Year 1 Minimum Requirements:
1. Publicly available nondiscrimination policy including sexual orientation, and gender identity and expression.
2. Has hosted at least 1 LGBTQ+ focused competency training including pronoun usage for recruiters within the last 3 years.
   - oSTEM hosted trainings are available for OAC members free of charge and available to non-OAC members at a charge. Please give at least 3-week notice for scheduling.

Year 2 Minimum Requirements (Year 1 + the below):
- Supports an LGBTQ+ inclusive Employee Resource Group, Affinity Group, and/or at least 1 community-based event throughout the year.

Don’t feel discouraged if you haven’t met these requirements. oSTEM can help you get there! Contact sponsorship@ostem.org to learn more.

Sponsorship opportunities are tax-deductible and constitute as a charitable contribution. Receipt will be provided upon request.

**Member Funding**

**Support a Chapter (4 Persons)**

$5,000  
Do you want to support a chapter? With this Travel Scholarship creation, you will be able to support a chapter of your choosing and our team will connect you with them before and during the conference.

**Support an oSTEM Member (1 Person)**

$1,500  
Create a Travel Scholarship for an oSTEM Member. Your team will get to select the scholarship awardees before and during the conference.

**Diversity & Inclusion**

**Accessibility Partner (Limit 4)**

$2,500  
oSTEM is committed to bridging the accessibility gap and removing barriers so that everyone can succeed. This sponsorship helps make the our conference a welcoming place for those who need it most so that everyone can reach their full potential. Your organization will be recognized as an accessibility sponsor at each plenary session, on the conference app and in the program book.

**Crisis Resources (Limit 2)**

$2,500  
People in STEM with multiply-marginalized identities face increased self-harm risk due to microaggressions, discrimination, and compounded stress. oSTEM partners with THRIVE Lifeline to provide all crisis support and mental health services during the event. THRIVE Lifeline is a 501(c)(3) text-based crisis hotline run by qualified suicide interventionists who identify as marginalized people in STEM. Last year, our partners were on site 24/7 and provided 280 one-on-one interactions. Help ensure our community has access to these resources when needed. You’ll be verbally and visually recognized at each plenary session, with on-site signage, on the conference app and in the program book.

Why oSTEM?

Testimonials from the oSTEM Overall Conference Survey

“My experience at oSTEM was incredible. Being in a place of other queer scientists and professionals felt like nothing else I've experienced before.”

“As an ERG lead at my company I gained a lot of new knowledge and ideas from hearing about others’ experiences and I’m excited to go back to work and try to further our DEI with these ideas.”

“Ansys has partnered with oSTEM going on three years now, and we feel like we are just getting started! They have been incredible to work with. oSTEM continues to do amazing work for LGBTQ+ people and communities in STEM and we look forward to supporting their mission for many more years to come.”

“This was my first time at an oSTEM conference and it was so empowering and gave me so many ideas to bring back to my company.”

“I loved it and it really gave me a space to be open and a lot of insight to how I can better support other queer people.”
